**TBA**

**Jackson & Pratts**

Barcelona Traveling Studio

The Architecture end of semester reviews are formal assessments of work in progress. Master of Architecture design students & staff are encouraged to attend a range of end of semester crits in order to develop a familiarity with the range of projects undertaken in the design stream and to encourage discussion amongst studios.

Please note: although an open door policy will operate students are reminded that these sessions are examinations & are asked to behave appropriately.

**RMIT ARCHITECTURE & URBAN DESIGN**
